Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular I OBJECT to the definition of "inordinate amount" which restricts the amount and the right to obtain medically necessary compounded medications by the number of prescriptions that can be shipped across state lines from small compounding pharmacies.

COMMENTS:

This is an outrageous suggestion. Please do not restrict our ability to receive the medications we need.
